

### **Biographical Sketch of Arthur Gavrin**

**Sept. 2000 ~ Present** Post-Doctoral Researcher, Polymer Science and Engineering, University of Massachusetts, Amherst,

Research: Synthesis of Fire Safe Polymers and Polymer Composites

**Aug. 1996 ~ Aug. 2000** Ph.D., Materials Science and Engineering Department, University of Florida, Gainesville, Florida

Dissertation title: "Effects of Molecular Architecture on Liquid Crystalline Thermosets"

**Aug. 1992 ~ Jan 1996** M. S., Chemistry Department, University of Illinois, Urbana, Illinois

Research Topic: "Isolation of Early Hydrolysis Products of Zirconium Alkoxides"

**Aug. 1987 ~Aug 1992** B. A., Chemistry Department and English Department, University of Rochester, Rochester, New York

Research Topic: "Synthesis of Iridium Dithiolates"
