

Ms. Natallia Safronava

Ms. Safronava joined SRA International in 2007 and currently supports Fire Research at the Federal Aviation Administration (FAA) William J. Hughes Technical Center, Atlantic City International Airport, New Jersey. Natallia has a Bachelor of Science Degree in Chemistry from The Richard Stockton College of New Jersey, Pomona. Her current research efforts are mainly focused on the research and development of materials for a cost-effective, fireproof passenger aircraft cabin. Natallia is the author or co-author of several scientific journal articles and conference proceedings.
