

14 CFR Part 25 Amendment 25-142 Revised Class B and New Class F Cargo Compartments Rule.

Steve Happenny

This presentation will describe the changes to Part 25 in Amendment 25-142 that revised Class B cargo compartments, created a new Class F cargo compartment, revised the fire extinguishing regulation and provided the associated means of compliance in two new Advisory Circulars (AC) 25.851 Built-in Fire Extinguishing/Suppression Systems in Class C and Class F Cargo Compartments and AC 25.857 Class B and F Cargo Compartments.
