

Ms. Natallia Safronava

Ms. Safronava supports Fire Research at the Federal Aviation Administration (FAA) William J. Hughes Technical Center since 2007. Natallia has a Bachelor of Science Degree in Chemistry from The Richard Stockton College of New Jersey, Pomona and currently pursuing Master's Degree in Engineering Management from Rowan University. Her current research efforts are mainly focused on the research and development of materials for a cost-effective, fireproof passenger aircraft cabin. Natallia is the author or co-author of several scientific journal articles and conference proceedings.
