

**John Ostic**  
**Associate Technical Fellow, Propulsion**  
**The Boeing Company**

John has been employed by the Boeing Co. in Propulsion for over 33 years. He received a Bachelors Degree in Mechanical Engineering from the University of Idaho in 1988. He became an FAA Designated Engineering Representative (DER) in 1998 and has continued in that function as an Engineering Unit Member (EUM) and EUM Advisor through the Boeing Organization Designation Authorization (ODA) to the present. He is an Associate Technical Fellow for the Boeing Co. John has also served as Co-Chair for the SAE A-22 Committee since its inception.

John has worked in powerplant fire safety throughout his career with experience in design, test, certification, in-service airplane support, and accident investigation. He and his wife currently reside on a small hobby farm in Enumclaw, WA.
